This information is also provided in your booking confirmation email, Pearson VUE account and on the UCAT ANZ website.

### Admission Policy

You must arrive at the test centre 30 minutes before your scheduled appointment time to complete the necessary sign-in procedures.

If you arrive more than 15 minutes after your appointment time you will be refused admission due to late arrival and will forfeit the exam appointment and test fees. Refer to information about Missed Test Appointments below.

### Identification and Documentation

You must bring **BOTH** of the following documents with you:

- A copy of your appointment confirmation email from Pearson VUE (electronic or printed)

Some of these identification documents can take approximately a month or longer to obtain.

The UCAT ANZ is a high stakes test and test centre staff have no discretion to waive or vary the ID rules.

If you are refused admission to the test centre due to ID issues, you will not be able to sit the test and will lose your test fee. You will not be eligible for a refund.

Under these circumstances, you can rebook a new test appointment at your own cost (subject to availability). This will be difficult towards the end of testing when availability of test appointments will be limited.

## Reschedule Policy

**Before 29 June (11:59pm AEST) you can reschedule your test at no cost.**

To reschedule, log in to your [Pearson VUE account](#).

**You can reschedule up to 24 hours before your test appointment time.**

To reschedule, log in to your [Pearson VUE account](#).

Rescheduling is subject to the availability of appointments. In some circumstances you may need to travel to another location if there are no available appointments at your preferred test location. If you booked a test in the final weeks of testing, you may have difficulties rescheduling due to no further appointments being available.

### **Preparation Resources**

Free [official preparation resources](#) are available on the UCAT ANZ website for candidates to use to prepare for the test. The Question Banks and Practice Tests are produced by the UCAT Consortium and are representative of the live test.

Please be aware that while there are many commercial companies offering coaching courses and materials for the test, the UCAT ANZ Consortium does not work with any of these companies or endorse the use of their materials.

## **Test Day**

## UCAT ANZ 'Fitness to Test' Policy

Candidates who attend their test are declaring themselves fit to sit the test.

- If you are aware of anything that might affect your performance on the day, you should not sit the test. This applies even if you fall ill or experience issues on the day of your test.
- If you are not fit to sit the test, you should reschedule your appointment to a later date (a rescheduling fee is charged). This advice applies even if you have missed the deadline to reschedule and as a result would have to pay the test fee again to rebook.
- If you choose to sit the test against this advice, it will not be accepted as mitigating circumstances.

## Earplugs

The majority of test centres will provide earplugs to candidates who wish to use them.

Please refer to the [Test Day](#) information for the test centres that do **not** provide earplugs to candidates. Candidates who wish to use earplugs at those test centres will need to bring their own disposable earplugs in unopened packaging. Refer to the Test Day page of the UCAT ANZ website for full details.

Candidates sitting the test in centres **outside** Australia and New Zealand are advised to bring their own disposable earplugs in case their test centre does not provide them.

## Check-in process and Examination Rules

The [Test Day](#) page outlines the check-in process and what to expect at the test centre.

Familiarise yourself with the [Examination Rules](#) which you will be asked to read and agree to during check-in. The rules explain what you must do if you experience any issues during testing. The process to request an investigation into an incident is given on the [Test Incident](#) page.

## Taking the Test

You may only take the test once in any test cycle. Instances of multiple testing in the same test cycle will be treated as [candidate misconduct](#) and all results will be cancelled.

## UCAT ANZ Results

After you have completed your test you will receive an email from Pearson VUE within 24 hours with instructions to access your UCAT ANZ Score Report in your account.

The UCAT ANZ Office will provide your results to the UCAT ANZ Consortium universities in early September. You do not pass your results to the universities yourself. Refer to the UCAT ANZ website for further information about your [UCAT ANZ Results](#).
